

To whom it may concern:

I would like to take this opportunity to write a letter of recommendation on behalf of Ely Enterprises Inc. Founded in 1981, Ely Enterprises Inc. is a leading supplier of new and used recycling and waste handling systems.

Ely Enterprises Inc. provides quality recycling equipment and services to distribution centers, scrap yards, recycling centers, retail operations, and industrial facilities throughout the world. It has state-of-the-art recycling equipment, reconditioned equipment, in-house and off-site service, and full-service capabilities, such as installing, relines, relocation, facility design, repairs, preventative maintenance, and stocked parts and wire.

At Ely Enterprises Inc., it is truly the team standing behind it that sets it apart from others in the industry. Its Recycling Equipment Service Technicians are highly specialized with over 150 years of combined experience and its fully staffed, factory-trained, service department can assist with all facets of your project. Furthermore, every member of the team is a genuine pleasure to interact with. They take the time to get to know your project needs and are always happy to answer any questions you may have along the way.

I highly recommend Ely Enterprises Inc. to anyone who needs assistance with their recycling and waste handling systems. The great team at Ely Enterprises Inc. will go above and beyond to provide the exact services you need, and at a fair price.

Sincerely,

Jim Lichtenberg
