

To whom it may concern,

I would like to take a moment to write this letter of recommendation in recognition of a great business, The Aerarium Group. Founded in 1971, The Aerarium Group is a real estate development and property management company in Barrie, Ontario.

The Aerarium Group got its start when owners Stephen and Phillip bought 23 acres of land from the city of Barrie. Construction soon started and the result was the first multi-rental industrial building in Barrie. Today, it offers everything from retail and industrial to office spaces and storage units. The Aerarium Group can help you meet your business needs with individually tailored leasing options.

Although The Aerarium Group provides great properties and leasing options, it is truly the people standing behind it that make all the difference. The entire team are experts in their fields with a wealth of knowledge to share. They are a pleasure to interact with and it's easy to see they're passionate about helping their clients succeed and wholeheartedly dedicated to serving their community.

I confidently recommend The Aerarium Group to anyone looking for office, retail, industrial or storage units to rent. It's a great company that's passionate about providing exceptional, reasonably priced services to its clients.

Sincerely,

Axel Nafthal
