

To whom it may concern,

I am pleased to provide this letter of recommendation for Fixture Labs. Operating out of Denver, Colorado, but serving clients nationwide, Fixture Labs offers a wealth of experience in the design and merchandising of bicycle stores.

Fixture Labs provides a comprehensive range of products and services for bicycle and outdoor recreation stores, including brackets, shelves, display cases, gondolas and more. From custom fixture design and manufacturing to installation and maintenance, it provides innovative and high-quality solutions that enhance the visual appeal and functionality of retail spaces.

The team at Fixture Labs is comprised of skilled professionals who possess extensive experience and expertise. Their dedication to craftsmanship, attention to detail, and commitment to customer satisfaction set them apart from others in the industry. They use a collaborative approach and focus on exceeding client expectations, working tirelessly to ensure that projects are completed on time, within budget, and to the highest standards of quality.

I highly recommend Fixture Labs for its outstanding services and quality products. With the exceptional team at Fixture Labs, clients can rest assured knowing they'll get the right advice and proven solutions to help make their shop a success.

Sincerely,
