

To whom it may concern,

It is an absolute pleasure to write this letter of recommendation on behalf of San Mateo Union High School District. Founded in 1902, the San Mateo Union High School District is comprised of six comprehensive high schools, a credit recovery school, a middle college program, and an adult school.

Serving approximately 9,000 students, the San Mateo Union High School District is dedicated to ensuring each student receives equitable treatment and an equal chance at receiving an excellent education. This includes various support departments that all work together towards one common purpose - meeting the academic, physical, emotional, and social needs of its students.

What sets SMUHSD apart is its dedicated team of staff and educators. Each one is high-caliber, hard-working, and professional, helping to prepare the next generation to make a positive impact on the world. They are also passionate about ensuring students feel safe at school, have supportive relationships, and are equipped with the right tools to succeed.

I confidently recommend San Mateo Union High School District to anyone seeking a high school experience that values academic excellence, diversity, and personal growth. With San Mateo Union High School District, you can count on its great educators to prepare your student for a successful, independent adult life.

Sincerely,

Michael Salazar
