To whom it may concern,

Writing on behalf of The Dance Shoppe, I'd like to extend a special thanks to Michael Baznick of Schooley Mitchell for the work his team did in analyzing our Merchant Services expenses.

The Dance Shoppe has over 30 years of experience providing dance classes for kids in Milton. Our studio offers a safe, welcoming environment for all skill levels. With expert instructors, we specialize in kids' dance classes in Acro, Ballet, Hip Hop, Jazz, Tap, and more. We also provide competitive dance programs and a new lineup of adult dance classes.

Michael's team reviewed our invoices and billing for any errors, usage, and pricing structures to determine whether savings could be found. After their in depth analysis, we have realized over \$30,000 in total savings.

The entire process was managed professionally by Schooley Mitchell with minimal work on our end. I was very impressed with how Schooley Mitchell handled everything from negotiations to implementations. As promised, their post audit process has been transparent and accurate. We only pay based on the actual savings recovered!

Moving forward, it's great to know that we have Michael and Schooley Mitchell to continually monitor our expenses and understand our needs, all with our best interest in mind.

Best regards,

Owen Gray - The Dance Shoppe
