

To whom it may concern,

Since I have known Rich Bello for several years, I was more than happy to work with Schooley Mitchell to see if he could achieve savings for my business. I knew we could trust Rich and his team to provide this service with honesty and the utmost professionalism.

DASH is a Fan Activation platform designed for professional sports teams and their fans to enhance the fan experience through auctions, instant purchase items, & giveaways.

Rich's team analyzed our merchant services invoices to determine whether savings could be found. This process was truly very easy from our end. All that was required was a quick conversation about our set up, access to our invoices and contracts, and then Schooley Mitchell did all the work from there.

I was very happy when Rich came back to me and presented the report showing that Schooley Mitchell was able to identify tens of thousands of dollars in savings. Now we have the peace of mind that we're not overspending, as well as extra funds to reinvest back into our budget. We are very happy with the work Rich and his team at Schooley Mitchell have done for DASH and will continue to recommend their services to others.

Sincerely,

*Jonathan Hufnagel*
