To Whom it may concern,

I highly recommend Rich Bello of Schooley Mitchell. We engaged Rich to audit our telecom and waste expenses. Our business had nothing to lose, but potentially a lot to gain by working with Schooley Mitchell.

At Winter Auto Repair, we stand by our commitment to exceptional automotive service and customer satisfaction. Established with a passion for automotive excellence, our Robbinsville, NJ business has been a cornerstone in the community for years. Our motto, "Done Once, Done Right, Guaranteed," is not just a slogan; it's the foundation of our work ethic and our promise to our customers.

Rich's team analyzed our telecom and waste invoices to determine whether or not savings could be found. I was wowed by how little work this was on my end. All that was required was a quick conversation about our set up, access to our invoices and contracts, and then Schooley Mitchell did all the work from there.

When Rich came back to me and presented the report, it was great news to find out that our expenses are fully optimized. This gives us great peace of mind, knowing we haven't been overpaying in the past, and that our budget is going towards what matters most. The best part? Since no savings were identified, Schooley Mitchell's analysis came at no expense.

Overall, my experience with Schooley Mitchell and Rich Bello was tremendous, and I would recommend them without hesitation. Rich is professional and passionate about the work he does!

Respectfully,

Chris Winter
