

To whom it may concern,

I highly recommend any business owner or executive work with Zach Cheney of Schooley Mitchell. We engaged Zach to audit our Telecom expenses. Our business had nothing to lose, but potentially a lot to gain, by working with Schooley Mitchell.

Life Centre Athletic Club provides a wide range of services designed for the entire family. They offer various group fitness classes, including boot camp, cycling, yoga, and aqua fitness, alongside access to basketball courts and a full range of cardio and strength training equipment. The club also features comprehensive aquatic facilities with year-round swimming pools, swim lessons, and a swim team.

Zach's team analyzed our invoices to determine whether or not savings could be found. I was pleasantly surprised with how easy the process is for the client. All that was required was a quick conversation about our set up, access to our invoices and contracts, and then Schooley Mitchell did all the work from there.

When Zach came back to me and presented the report, I was positively surprised to find out that our expenses are already optimized. We have already received a bundle discount from Comcast, and they gave great details explaining contract termination date and our annual spend. Discovering that we haven't been overpaying gives us a peace of mind. The best part? Since no savings were identified, Schooley Mitchell's analysis came at no expense.

Overall, my experience with Schooley Mitchell and Zach was fantastic, and I highly recommend any business or organization take advantage of their expertise. Zach is professional and passionate about the work does!

Best regards,
