

CAPTREE CLAM SEAFOOD COMPANY

LOCAL FLAVOR WITH A NATIONAL REACH. EST 1973.

To whom it may concern,

I recently had the pleasure of working with Adam Feldstein of Schooley Mitchell. We engaged Adam to audit our small package shipping/merchant service expenses. We were very curious to see if we were overspending.

Captree Clam offers fresh Long Island Clams such as; Little Neck, Top Neck and Cherrystone Clams, and Eastern Oysters. We buy only fresh shellfish from local bay men and other licensed professionals from the Atlantic & Pacific coasts.

Adam's team analyzed our small package shipping/merchant service invoices to determine whether or not savings could be found. I was wowed by how little work this was on my end. All that was required was a quick conversation about our set up, access to our invoices and contracts, and then Schooley Mitchell did all the work from there.

When Adam came back to me and presented the report, I was delighted to discover that our expenses are already optimized. It's a relief to know we haven't been overspending and that our budget aligns with our priorities. The best part? Since no savings were identified, Schooley Mitchell's analysis came at no expense.

Overall, my experience with Schooley Mitchell and Adam Feldstein was tremendous, and I would recommend them to any business or organization looking to reduce expenses. Adam is professional and passionate about the work he does!

Warm regards,

Marcus Buffaloe, President, Captree Clam
