To Whom It May Concern,

Since 1987, we have been dedicated to providing quality instruments, accessories, repairs, and service to the music communities of Tiffin, Sandusky, and the surrounding areas. Whether you or your child are a beginner or an experienced professional, we offer products and services designed to give you a competitive edge in both practice and performance.

When Joe Gilmer introduced us to Schooley-Mitchell, we were open to the idea of reviewing our card processing environment. The Schooley-Mitchell team performed a thorough analysis of our current setup and presented us with several cost-saving options, with potential savings ranging from 13% to 28%.

After careful consideration, we decided to change providers, and the Schooley-Mitchell team assisted us in implementing the necessary changes and updating our processing terminals. Understanding the expense involved in purchasing new equipment, they even agreed to contribute to the cost of the new terminals.

We wholeheartedly recommend Joe and the team at Schooley-Mitchell for their thorough, independent, and risk-free services. Their professionalism and commitment to delivering optimal results are truly outstanding.

Sincerely,

A handwritten signature in cursive script that reads "Ed Adams".
