**To Whom It May Concern,**

At MST, we pride ourselves on offering fresh, high-quality food at affordable prices. Our mission is to provide exceptional service and a dining experience worth coming back for. We treat our customers like family and strive to build relationships that last a lifetime. When you visit MST, our goal is that you leave with a full stomach and a happy heart. We hope you find MST to be a place where friends and family can enjoy a great meal — and become part of our family.

We were introduced to **Joe Gilmer** through our local Chamber of Commerce. After speaking with him, we agreed to have **Schooley Mitchell** conduct an analysis of our **waste services and facility supplies**.

Joe and his team delivered a thorough, professional review of our existing contracts and vendor relationships. In the case of waste services, they presented us with an alternative that would save us **76%** — an incredible result. As for our facility supplies, their review concluded that our current contract was the best option, due to high early termination fees — and we appreciated the transparency.

We highly recommend that other businesses take the time to engage Joe and the Schooley Mitchell team. The results speak for themselves, and the process was both easy and valuable.

Sincerely,

**Chris Chase**
