To whom it may concern,

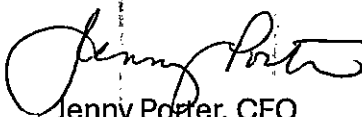

It is my pleasure to recommend Mary Griesser of Schooley Mitchell to assist with reducing costs in your business. Mary assisted our practice by reviewing merchant services, telecom services and compressed gas expenses. It was a great way to assess our costs in these areas while working with a professional company that has a large pool of resources from which to draw comparison pricing.

Porter Dental Group has provided comprehensive general, restorative and cosmetic dentistry services to families in the greater Charlotte area for over 30 years. We provide the highest quality of dental care with the finest team of dental professionals and state-of-the-art equipment and technology. We strive to be the best at what we do.

Likewise, Mary is also the best at what she does. She is kind and professional with great communication and follow-up. Using Mary with Schooley Mitchell was a great experience. We provided the invoices and contracts needed to review pricing, and she did all the rest. We received a detailed summary of findings, and we were able to make decisions about the best choice to reduce costs without compromising on quality or service. Schooley Mitchell monitors our billing to ensure we are billed properly. Mary only gets paid when we save on expenses, so working with her is simple and cost effective.

I highly recommend Mary Griesser with Schooley Mitchell for your business!

Best regards,

  
Jenny Porter, CFO
