**RE: Testimonial — Kevin Litwiller & Schooley Mitchell Consulting Services**

To Whom It May Concern,

It is my pleasure to recommend Kevin Litwiller and the team at Schooley Mitchell. As the owner of Minit Auto Service, I am continually looking for ways to improve our business while maintaining the high level of service our clients expect. Over the years, I have worked with many consultants, and Kevin distinguishes himself through his professionalism, integrity, and commitment to delivering measurable results.

From the outset, Kevin took the time to understand our business, review our operating expenses in detail, and identify opportunities to reduce costs without compromising the quality of the services we provide. His process was thorough, transparent, and data-driven, and every recommendation was clearly explained and supported.

The savings Kevin identified represent money that goes directly back into our business. At a time when operating costs continue to rise, finding these efficiencies has had a meaningful impact on our bottom line. Equally important, Kevin and his team managed the entire process from start to finish, making it easy to implement the recommended changes while continuing to monitor results over time.

What impressed me most was Kevin's genuine desire to create long-term value rather than simply complete a transaction. He has earned my trust through his expertise, responsiveness, and unwavering commitment to helping our business succeed.

I would not hesitate to recommend Kevin Litwiller and Schooley Mitchell to any business owner looking to reduce operating expenses, improve profitability, and uncover savings they may not even realize exist.

I look forward to continuing our relationship with Kevin and team for years to come.

Sincerely,

**Irfan Daya**
