To whom it may concern,

I would like to take this opportunity to recommend the services of Brian O'Sullivan and the team at Schooley Mitchell. They have saved me money and a lot of time! The rates they negotiated for us are saving us money each month on our trash service. I also would like to mention that when there are any problems, they call the vendor and resolve issues that we have had with overage charges, missed pickups, and even getting the fence around our dumpsters repaired that were damaged by the trucks when the trash was picked up.

The whole process has been very easy and well worth our efforts. All I need to do is get the statements to them each month. If I have a problem, a quick email or text message gets the ball rolling!

I would highly recommend the services offered by Schooley Mitchell of Delmarva. Working with Brian is easy, and he gets results!

Sincerely,
