

I highly recommend Stephen Silhan of Schooley Mitchell. Pocono Pads engaged Stephen to audit our credit card processing expenses. Managing expenses is always a top priority of ours, so this was a great opportunity.

Stephen's team analyzed our invoices to determine whether or not savings could be found. The process is seamless for the client. All that was required was a quick conversation about our set up, access to our invoices and contracts, and then Schooley Mitchell did all the work from there.

When Stephen came back to me and presented the report, I was thrilled to learn that our expenses are now fully optimized. Knowing we haven't been overpaying in the past brings a huge sense of relief. Because Schooley Mitchell's only fees are a portion of savings found, the entire analysis came at no cost to us.

Overall, my experience with Schooley Mitchell and Stephen Silhan was very positive, and I would recommend them without hesitation!

Sincerely,

Thomas O'Reilly
