To whom it may concern,

I strongly recommend working with Chris Smith of Schooley Mitchell. We engaged Chris to audit our Merchant Service expenses. The prospect of adding room to our budget was appealing to us.

Chris's team analyzed our invoices to determine whether or not savings could be found. I was pleasantly surprised with how easy the process is for the client. Chris came back to me and presented the report showing that Schooley Mitchell was able to identify \$4,800 in savings on our Merchant Services expenses. We are already planning how to reinvest these savings back into our organization!

Overall, my experience with Chris Smith of Schooley Mitchell was tremendous, and I would strongly suggest anyone looking to reduce costs get in touch. Chris is professional and passionate about the work he does!

Respectfully,

Tim Oliveira
