CHIROPRACTIC AND ACUPUNCTURE

To whom it may concern,

I recently had a fantastic experience working with Gorie Williams of Schooley Mitchell. We engaged Gorie to audit our credit card processing expenses. We were very curious about Schooley Mitchell's no risk approach to finding savings!

At Woodroof Chiropractic, your health is our priority. We are dedicated to providing thorough chiropractor care and treating the whole person, not just the symptoms.

Gorie's team analyzed our credit card processing invoices to determine whether or not savings could be found. I was pleasantly surprised with how easy the process is for the client. All that was required was a quick conversation about our set up, access to our invoices and contracts, and then Schooley Mitchell did all the work from there.

When Gorie came back to me and presented the report, it was a relief to hear that our expenses are already optimized. It's a welcome relief to know that our budget has only been dedicated to what truly matters. Even better? Since no savings were identified, Schooley Mitchell's analysis came at no expense.

Overall, my experience with Schooley Mitchell and Gorie Williams was great, and I highly recommend any business or organization take advantage of their expertise. Gorie is professional and passionate about the work he does!

Warm regards,
