

To whom it may concern,

It is with great pleasure that I write this letter of recommendation on behalf of an amazing childcare provider, Julia Day Nursery. Located in Ansonia, Connecticut, Julia Day Nursery is a nationally accredited childcare center that has been providing quality childcare to families in the community for more than 100 years.

Julia Day Nursery offers flexible, full, and part-time programs for children ages 3-8 years. Each classroom is filled with activities that designed to help students open their minds and learn something new each day. It has an exciting curriculum that meets the CT early learning development standards and nutritious weekly menus in a safe, warm, and nurturing environment.

At Julia Day Nursery, it is the people standing behind it that make all the difference in setting them apart from others in the industry. Not only are the well trained and talented at what they do, but they are also warm, welcoming, and friendly. They go above and beyond to ensure each child is as happy and healthy as possible, working hand in hand with families to allow children the best opportunity to grow and learn.

I highly recommend Julia Day Nursery to any parent that is looking for childcare. With a kind and supportive staff, you can rest assured knowing your child will be well looked after in classes where they can play and have fun, all while enhancing their education.

Sincerely yours,

Luca Servino
