

To whom it may concern:

I am more than happy to write this letter of recommendation on behalf of Bayside Community Church. Based in Florida, Bayside Community Church is a multi-campus church serving Manatee, Sarasota, Hardee, and Hillsborough counties.

Bayside Community Church strives to create environments where people of all ages and backgrounds can connect and experience the life-changing message of Jesus Christ. Rooted in the values of community and freedom, it is a place where one develops their relationship with God while simultaneously discovering their own purpose.

Frequent members of Bayside Church are accustomed to the overwhelming sense of community and the wide range of events to get involved in. Whether it be joining a mission trip or attending an online session, there is so much to take away from experiences held within this community.

I wholeheartedly recommend Bayside Community Church to anyone in the Florida area looking for a worship community to call home. Bayside Community Church welcomes you with open arms to help strengthen your relationship with yourself and with God.

Sincerely,
