

To whom it may concern,

I am more than happy to write this letter of recommendation on behalf of a great business, Grocery Outlet Imperial Beach. Part of the Grocery Outlet franchise, Grocery Outlet Imperial Beach is known for being a friendly, one-stop shop for all your grocery needs.

Founded by Jim Read in 1946, Grocery Outlet got its start as a military surplus store and has evolved into the enduring family-owned and operated franchise that we know today. It has more than 400 locally owned and operated stores across the nation that serve more than 1.5 million customers ever week.

While the prices and selection at Grocery Outlet Imperial Beach are nothing short of exceptional, it is important to acknowledge that this level of excellence would not be attainable without the remarkable team that stands behind it. Not only are the staff members knowledgeable about local food deals and trends, but they are also exceptionally trained, so there is always someone to help regardless of the need or question.

I highly recommend the Imperial Beach location of Grocery Outlet to anyone looking to put food on the table without breaking the bank. With its experienced team and committed local owners, you can rest assured knowing you're paying the best price for the brands you love.

Sincerely,
