

To whom it may concern:

I am writing this testimonial letter to recommend the services provided by Denis Tan of Schooley Mitchell to any business owner. The Belvedere Supper Club is a place that has created many memories for not only for my wife and I but for thousands of people from the area. Weddings, parties, fundraisers, anniversaries, and so many more events have created lasting memories that will live forever in many hearts of our patrons.

The COVID-19 pandemic has hit us really hard and it continues to create many challenges in our industry. Reducing expenses during such difficult time is imperative to keep our staff employed and make sure that business can continue to operate.

Denis and his team at Schooley Mitchell offered to provide an independent analysis of our Telecom, Merchant Services and Waste bill. Although they did not manage to find any cost savings in Merchant Services, they were still able to find us **33% savings** on our Waste, and about 6% in Telecom. They even shared with us an extensive value report giving us a breakdown and comparison with other local vendors.

Schooley Mitchell's cost-reduction service has helped out significant money back into my business. I strongly encourage any company to contact Denis Tan of Schooley Mitchell to help them save money and the time to do so. Their service is risk-free, and you'll have a peace of mind knowing that you are not overpaying for services you signed up for.

Sincerely,
